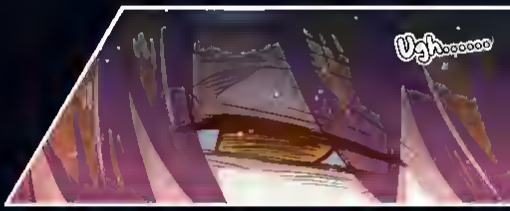
T/N: 𠔃, a mythical bird that can tell a person's fortune. An uncommon character that has since been discontinued.



Well.....again, here's the author who draws all sorts of things and dawdles~

First of all, I'd like to explain that it's not short this time ㅓ°ㅇ'ㅓ aa~~
Everyone, please don't misunderstand!!!
Because the next section has a part that needs fixing, I've updated with the first half for now.
Unforseen events aside, I'll upload the other half tomorrow.

THAT'S CRUEL.....
Ugh.....

SEEING AS HOW FIERCELY YOU'VE BEEN SHOUTING, IT'S HARDLY ANYTHING SPECIAL.....
ENTER THE PAINTINGS QUIETLY. IT'S BETTER FOR EVERYONE THAT WAY.

LET GO.....
I'M TELLING YOU TO LET GO!!!
Break free!!!

【To be continued】

Well.....because of working overtime, I delayed the update date of the second half. This trashy author kneels down here to apologize to everyone!!!!! (TWT)

I had very little time to colour this chapter. Again, because I was dissatisfied, I redid the colour, causing what was originally one chapter's content to be split into two parts.

Now that I've made up what was missing, everyone can take it with what I said on the 21st =W=

This is the last update of this month. Next time, unforseen events aside (this phrase again?), the update will be on April 1st. I will work hard to be on time.....

Finally, I'd like to thank everyone that has supported me up to now! I love you all =3=

Next up, it's fanart time!!

Finally, here's the ENDCARD that I previously drew for the "100,000 Cold Jokes" cartoon

I don't want either ...
